KENYA POWER AND LIGHTING COMPANY RESPONDENT

DIRECTIONS

1. Pursuant to Rule 19 (1) of the *Energy Tribunal Rules* 2008, The Tribunal, in its own motion, issues the following directions.
2. A dispute over charges leading to disconnection and or discontinuance of power supply arose in Appeal No. E003 of 2022 Joyce Deche Kai -vs- Kenya Power and Lighting Company. This Tribunal declined to exercise jurisdiction in the first instance and referred the matter to the Energy and Petroleum Regulatory Authority (EPRA).
3. The dispute herein is similar in nature. The Plaintiff herein disputes the defendant/respondent billing of Kshs.998,781.00 dated February 1, 2023 and is apprehensive that its power may be disconnected by the defendant/respondent due to non-payment of the contested bill.
4. Accordingly, in accordance with the decision in the Kai appeal and in accordance with sections 159 (3) and 160 (3) of the *Energy Act*, 2019; read together with Regulations 2,4,7 and 9 of the *Energy (Complaints and Disputes Resolution) Regulations*, 2012, this dispute is referred to EPRA for resolution.
